

Alma Pinot Noir '18

96 points ★★★★★

Revealing elegance and sophistication, the engaging bouquet shows Black Doris plum, dark cherry, warm spice and toasted nut characters with nuances of truffle and floral. The palate displays outstanding concentration and focus, while offering rich texture and expansive mouthfeel, superbly framed by loads of fine, polished tannins. Multi-layered and magnificently flowing to an impressively long silky finish. The wine is gloriously composed and expressed, promising to evolve gracefully. The wine exhibits classic Te Mata elegance, freshness and refinement within a perfectly formed structure.
