

RAYMOND CHAN

WINE REVIEWS

MARCH 2017

COLERAINE '15

19.5/20

The fruit sweetness and richness is the immediate feature on the palate with concentrated and intense, layered flavours of blackberries and blackcurrants, cassis and black plums, along with herbs, floral elements and minerals, unfolding pencil oak.

This has an underlying vitality, freshness and power, carrying the plush fruit flavours to a very long, lingering, textural finish. This is a classically structured, ageworthy Cabernet blend with refined opulence.
