

# Te MATA

ESTATE 1896

ESTABLISHED IN 1896, TE MATA ESTATE REMAINS FAMILY OWNED, PRODUCING INTERNATIONALLY RECOGNISED WINES EXCLUSIVELY FROM ITS HISTORIC, HAWKE'S BAY VINEYARDS.

*Estate Grown. Estate Bottled. Estate Wines.*

## GAMAY NOIR '18 ESTATE VINEYARDS

SOURCED EXCLUSIVELY FROM TE MATA ESTATE'S OWN VINEYARDS, THE ESTATE VINEYARDS WINES ARE BLENDED TO REPRESENT THE BEST QUALITIES OF THEIR VARIETY, VINTAGE, AND HAWKE'S BAY ORIGIN.

### VINEYARDS

In 1995, Te Mata Estate introduced to New Zealand a superior selection of Gamay Noir à Jus Blanc, the grape variety of the best wines of France's Beaujolais region. Estate Vineyards Gamay Noir '18 is a single vineyard wine from Te Mata Estate's Woodthorpe Terraces vineyard, harvested on 20 and 22 March 2018.

### WINEMAKING

The unique 'maceration carbonique' fermentation, which enhances the fruit and floral aromas of the wine, was used for 45% of the grapes. The other 55% received a traditional, warm, red wine fermentation. The resulting wines completed their malolactic fermentation and were matured for 11 weeks in seasoned French oak barrels, before blending and bottling.

### TASTING NOTE

Deep, brilliant crimson with a cherry-red edge, Estate Vineyards Gamay Noir '18 sparkles with lifted candy-apple, strawberry and star anise on the nose. Soft and luscious, the palate overflows with crushed red summer fruit, wild raspberry and cherry. Hints of rosewater and aniseed culminate in this wine's sumptuous finish. Refreshing in its appeal, beguiling in its detail, Estate Vineyards Gamay Noir '18 is New Zealand Gamay Noir par excellence – the result of an incredible vintage, this is the best we have made.

### FOOD MATCH

Estate Vineyards Gamay Noir '18 is an incredibly versatile wine, partnering with any food and is particularly good with spicy cuisines, matching its vibrant fruit and soft tannins.

### CELLARING POTENTIAL

Estate Vineyards Gamay Noir '18 can be enjoyed immediately upon release and can be served at room temperature or, during summer, lightly chilled. It will continue to develop in bottle for two years from harvest.

### TECHNICAL ANALYSIS AT BOTTLING

pH	3.54
Total acidity as tartaric	5.0g/l
Alcohol	12.5%
Residual Sugar	Dry
